Search for Pamphlets

In this Guide
- Starting at “Patient Pamphlets”
- Starting at the Library Catalogue
- Accessing a Pamphlet

Starting at “Patient Pamphlets”
1. Go to [http://library.nshealth.ca](http://library.nshealth.ca)
2. In the top banner, click “Search” and then “Patient Pamphlets”:

3. A list of all available pamphlets appears. To narrow the list, enter search terms in the “Revise Search” bar and press Enter:
4. To sort your results alphabetically, click “Sorted by Relevance” and then “Sort by title”:

![Search Results](image)

- Bravery Heart Bead Program
  - IWK Health Centre. IWK, 2011.
  - Available Online: View Pamphlet
  - Location: Online

- Heart healthy eating tips
Starting at the Library Catalogue

1. Go to http://libcat.nshealth.ca
2. In the search field, enter your search terms (e.g. “heart disease”, “leg injury”, etc.)
3. You may notice the predictive text/suggestive search terms appear in a list below the search field. If the item you are looking for appears in this list, simply click on the text and it will populate the search field for you
4. When you are ready to proceed, click Search. You will then be taken to the results screen

5. To narrow your search to pamphlets only, select the Format facet under the Narrow By column. Your search results will automatically refresh

After you narrow your search to only pamphlets, you will notice that both NSHA and IWK pamphlets will appear on the results screen.
Accessing a Pamphlet

1. To go directly to a pamphlet, click on the **View Pamphlet** link

![Image of library search results with pamphlet information]
2. If you’d like to see the complete catalogue record, click on the title or the blue arrow button before the title.
