EMBASE: Sharing Links to Full-text Articles

March 29, 2016
Enter search terms and click search to locate an article of interest.
Select View Full Text below an article of interest.
Copy (Ctrl/command + C) the article URL.

https://journals.plos.org/plosone/article?id=10.1371/journal.pone.0116342
Paste (Ctrl/command + P) link in email or text.

http://journals.plos.org/plosone/article?id=10.1371/journal.pone.0116342
Please Note: Full-text access to articles purchased through library subscription is not available outside the hospital network via this method.
If the database states *Access Provided By:* or displays the NSHA logo, full-text access may only be available from within the hospital network.
If the database states *Free* or *Open*, full-text access to the article is most likely available from anywhere.
